# ABOUT US

Astor & Stone is one of New York City's leading private contractors, powered by a 200+ person in-house team capable of handling everything from rapid, high-volume apartment turnovers to full-building renovations. With an unmatched presence across the city's premier residential portfolios, our crews deliver speed, precision, and quality that keep properties operating seamlessly – no downtime, no excuses.

## OUR MISSION

To deliver top-tier construction that's fast, reliable, and built to last. From full lobby and corridor transformations to high-volume turnovers, we complete projects in half the time of traditional contractors – keeping costs low, quality high, and residents happy.

## OUR VISION

To redefine New York City's interior construction landscape through innovation, accountability, and relentless efficiency – setting new benchmarks for speed, quality, and reliability across every property we touch.
